

You can help preserve a piece of history—

Donate through the Community Foundation of Tampa Bay

Friends of Tampa Union Station is an all-volunteer organization which advocates for the preservation of historic Tampa Union Station as both a landmark and transportation asset.

Your help is needed to help support the ongoing preservation of Tampa Union Station, one of Tampa's most significant historic landmarks.

To participate, you are invited to make a contribution to the Tampa Union Station Preservation Fund at the Community Foundation of Tampa Bay.

Or, support the Fund by buying an engraved brick through our *Bricks Are Back* campaign and have a brick with your family's name on it installed in the sidewalk in front of the station.

Your assistance will help keep Tampa Union Station an important part of Tampa's past, present, and future. Thank you for your support!
